

GRADUATE PROGRAM IN LINGUISTICS

SUPPLEMENTARY QUESTIONNAIRE

FOR

GRADUATE PROGRAM APPLICANTS

Note: If you have already answered one of these questions in your statement of purpose, simply write 'See statement of purpose'.

1. Is there any area that is of particular interest to you? You may indicate more than one area. Is there a particular research direction you would like to pursue? Please describe this. Include in your description any previous research you have already done on this topic.
2. If you feel that experiences beyond formal coursework (e.g. independent reading, work experience) play a significant role in your interest or background in linguistics, please explain here.
3. Why do you want to pursue graduate studies in Linguistics? What are your career goals?
4. What aspects of our Linguistics graduate program led you to want to apply here? Is there a particular faculty member with whom you would like to work?
